

## Joining instructions for S-GTTL Driver Training

**Please provide this information to the candidate(s) attending the course**

Course start times will vary.

**Course expectations: To gain the required skills to achieve a pass on a mandatory test.**

Candidates will also require the following:	B+E	C1	Module 4
Driving licence card part	Required	Required	Required
Theory Multiple choice	N/A	Required	N/A
Hazard Perception	N/A	Required	N/A
Module 2 Pass Certificate	N/A	If Applicable	N/A
Work Gloves	Required	N/A	Required

**Glasses** please check your licence for a **01** code on the back for corrective eyewear. You **must** bring glasses with you if this on your licence, or a Medical letter to say you've had corrective eye surgery.

**Sunglasses if required, suitable clothes to accommodate for weather conditions i.e. coat.**

Failure not to have any of the listed documentation or meeting the required standards could result in not being able to complete the course with the full fee non-returnable. If you have an accident in any of the S-GTTL vehicles and it is your fault, your course will be terminated immediately with no refund.
